Cable News**JOHNSON TO FILL TEDDY'S SPEECH DATES**

SAN FRANCISCO, October 20.—It was officially announced here this evening that Governor Hiram Johnson, who is now in the East on a campaigning tour, will remain there and fill the speaking dates made by Colonel Roosevelt.

It is also stated that he will hereafter take direction of the campaign activities. This news came following a conference between Johnson and Roosevelt.

Over-Night FEDERAL Wireless To the Advertiser

Four thousand Turkish irregulars while proceeding from Plaza to Berana to attempt the recapture of that city were repulsed by a strong detachment of Montenegrins. After a desperate fight in which many of the irregulars were killed and Sahil Bey commander and most of his men were captured, the irregulars were routed.

A charge of being absent without leave has been filed against Captain James M. Fulton of the Coast Artillery Corps, Fort Winfield Scott. The charge was forwarded to division higher military authorities. No date has been set for the court martial.

Many persons were injured last night in a riot caused by an attempt of University of Illinois students to force their way into the Opera House at Champaign, Ill., where a vaudeville show was in progress.

The students were celebrating a football victory. Revolvers and clubs figured in the fight.

A severe blow to a vital part of the story told yesterday by Sam Schepps was delivered yesterday by Joseph F. McIntyre, chief of counsel for Police Lieutenant Charles E. Becker, on trial before Justice John W. Goff, for the murder of Herman Rosenthal, the gambler, in front of the Hotel Metropole on July 16.

Schepps had sworn he went from Harry Pollock's home to the home of Becker with a message from "Bald" Jack Rose. He asserted he told Becker, Rose was ill and wanted to know what he was to do. Becker, according to Schepps, sent word to Rose that Pollock's house was a good place in which to stay. He asserted that Becker's house was dark and that the defendant would not let him light a cigarette for fear he might be seen.

To shatter this damaging story, McIntyre called Police Lieutenant Shay and Mrs. Shay. Each swore that each had been in Becker's home on the night mentioned by Schepps; that Schepps did not call at the house that night, and that the place was brilliantly lighted. Mrs. Shay added that Becker expressed regret over the killing of Rosenthal.

The California Varsity defeated the Barbarians by a score of 16 to 3, on California field yesterday. From the standpoint of the spectators the game was ideal, thrill following thrill with such rapidity that the bleachers were on their feet most of the time.

After several days of continued effort the submarine F. L. was finally pulled off the beach in Port Watsonville yesterday in tow of the tug Iquois. It has left for the navy yard in Mare Island. There the damaged deep sea fighter will be docked and undergo extensive repairs.

Miss Maud Malone, the suffrage advocate, who attempted to argue with Gov. Woodrow Wilson in the midst of his address in the Brooklyn Academy of Music last night, putting the entire

audience of 6000 persons in an uproar, defended herself physically against one man who had tried to eject her, and was finally forced out of the hall and down a fire-escape by two ushers and a policeman.

Four millions of dollars will be poured into the Presidio of San Francisco within the next three years, if Major General Leonard Wood, chief of staff, succeeds in having his recommendations to the war department acted upon favorably in the coming session of the congress.

The scheme of expenditure includes the following items:

New concrete barracks for another infantry and another artillery regiment, concrete administration buildings and warehouses and the most completely equipped signal service in the West.

By defeating the Olympic Club team yesterday in St. Ignace Stadium, San Francisco by twenty points to nothing, the Australian Waratah Rugby football team displayed that at last the team is taking on something of combination that has been lacking in their previous showings.

The Australians' attack was more substantial than in previous games. It showed just what a team of good attacking qualities is capable of, but it also showed how badly these attacking movements can fall down when fumbling plays such a prominent part as it did yesterday.

The delivery through the mail of a package, which the government charges contained fuses to blow up a building in Akron, Ohio, July 4, 1910, was described by R. G. Floyd, postmaster yesterday in the "dynamite conspiracy" trial.

McManigal in his confession said he had been selected to do the work, but that Smith and George ("Nipper") Anderson, also a defendant, protested, saying they had promised to some one else a "fee" of \$200 for doing it.

Turkish bands today massacred the inhabitants of three Serbian villages to the southwest of the town of Krushevat, according to a dispatch from Belgrade, Serbia. The Turks crossed the Serbian frontier from Novi-bazar district, attacked the villages and then retired.

Standing on the heights of Carmaly-Beliza, on the frontier, Czar Ferdinand of Bulgaria today saw his army under General Savoso, the commander-in-chief, take town after town on Turkish soil, ending the day with the taking of the strongly garrisoned city of Mustafa-Jasha.

Col. Theodore Roosevelt will leave Mercy hospital, where he has been recovering from his wound, for his home at Oyster Bay, Tuesday morning.

The rebel forces in possession of Vera Cruz have made every preparation for an attack by federal troops, and this is expected to occur at any moment. Two columns of federals arrived yesterday within fifteen miles of the city.

The steamer Camino, with eighty passengers, bound from Portland, Oregon, to San Francisco, lost her wheel early this morning, and after drifting helplessly about on the Oregon coast was picked up this afternoon and is being towed to San Francisco.

Twenty-five million dollars is the estimated damage done by the typhoon which swept the Philippines on October 16. The storm extended over a wide area, touching Surigao in the south, Tacloban in the north and crossing Leyte, Bohol, Cebu, Negros and Panay.

Reports from the various districts are incomplete and contain nothing definite concerning the rich sugar districts in Negros, not far from the interior points in Cebu and Panay.

Lieut.-Col. Henry M. Raymond, medical corps, will be relieved from duty in the Presidio headquarters San Francisco, on November 5, to enable him to proceed to Schofield Barracks, Hawaii, where he has been assigned.
